11th FENS Forum of Neuroscience

7-11 July 2018 | Berlin, Germany

Organised by the Federation of European Neuroscience Societies (FENS)
Hosted by The German Neuroscience Society

With up to 7,000 attendees, the FENS Forum of Neuroscience is the largest international neuroscience meeting in Europe.

The Forum scientific programme covers all domains in modern brain research. With 56 parallel symposia, 20 plenary and special lectures and more than 3,500 abstracts the FENS forum covers neuroscience from basic to translational research.

Be part of this big celebration of the brain

Five good reasons to attend the Forum in Berlin

- State-of-the-art neuroscience
- Europe's foremost neuroscience event
- Exchange ideas and network with neuroscientists worldwide
- A diverse scientific programme with world-renowned speakers
- Visit Berlin - Germany's capital and cultural centre
